Good afternoon Brian,

To inform Friday's discussion regarding LYV GWMA outreach, here's a short list of the New Mom outreach, surveys, well sampling, web creation and other outreach conducted in English and Spanish from 2012-18. The website is hosted by Yakima County, here: <https://www.yakimacounty.us/541/Groundwater-Management>

Please me know if you or your team have questions.

Thanks.

Lisa
